THINKING OUTSIDE THE BOX

"Wer ungewöhnliche Wege geht,
entdeckt Perspektiven, die sonst
verborgen geblieben wären."

"Those who take unusual paths
discover perspectives that would
otherwise have remained hidden."

SIMPLIFY
SUCCESS

"Manchmal liegt das Geheimnis im Weniger, nicht im Mehr."

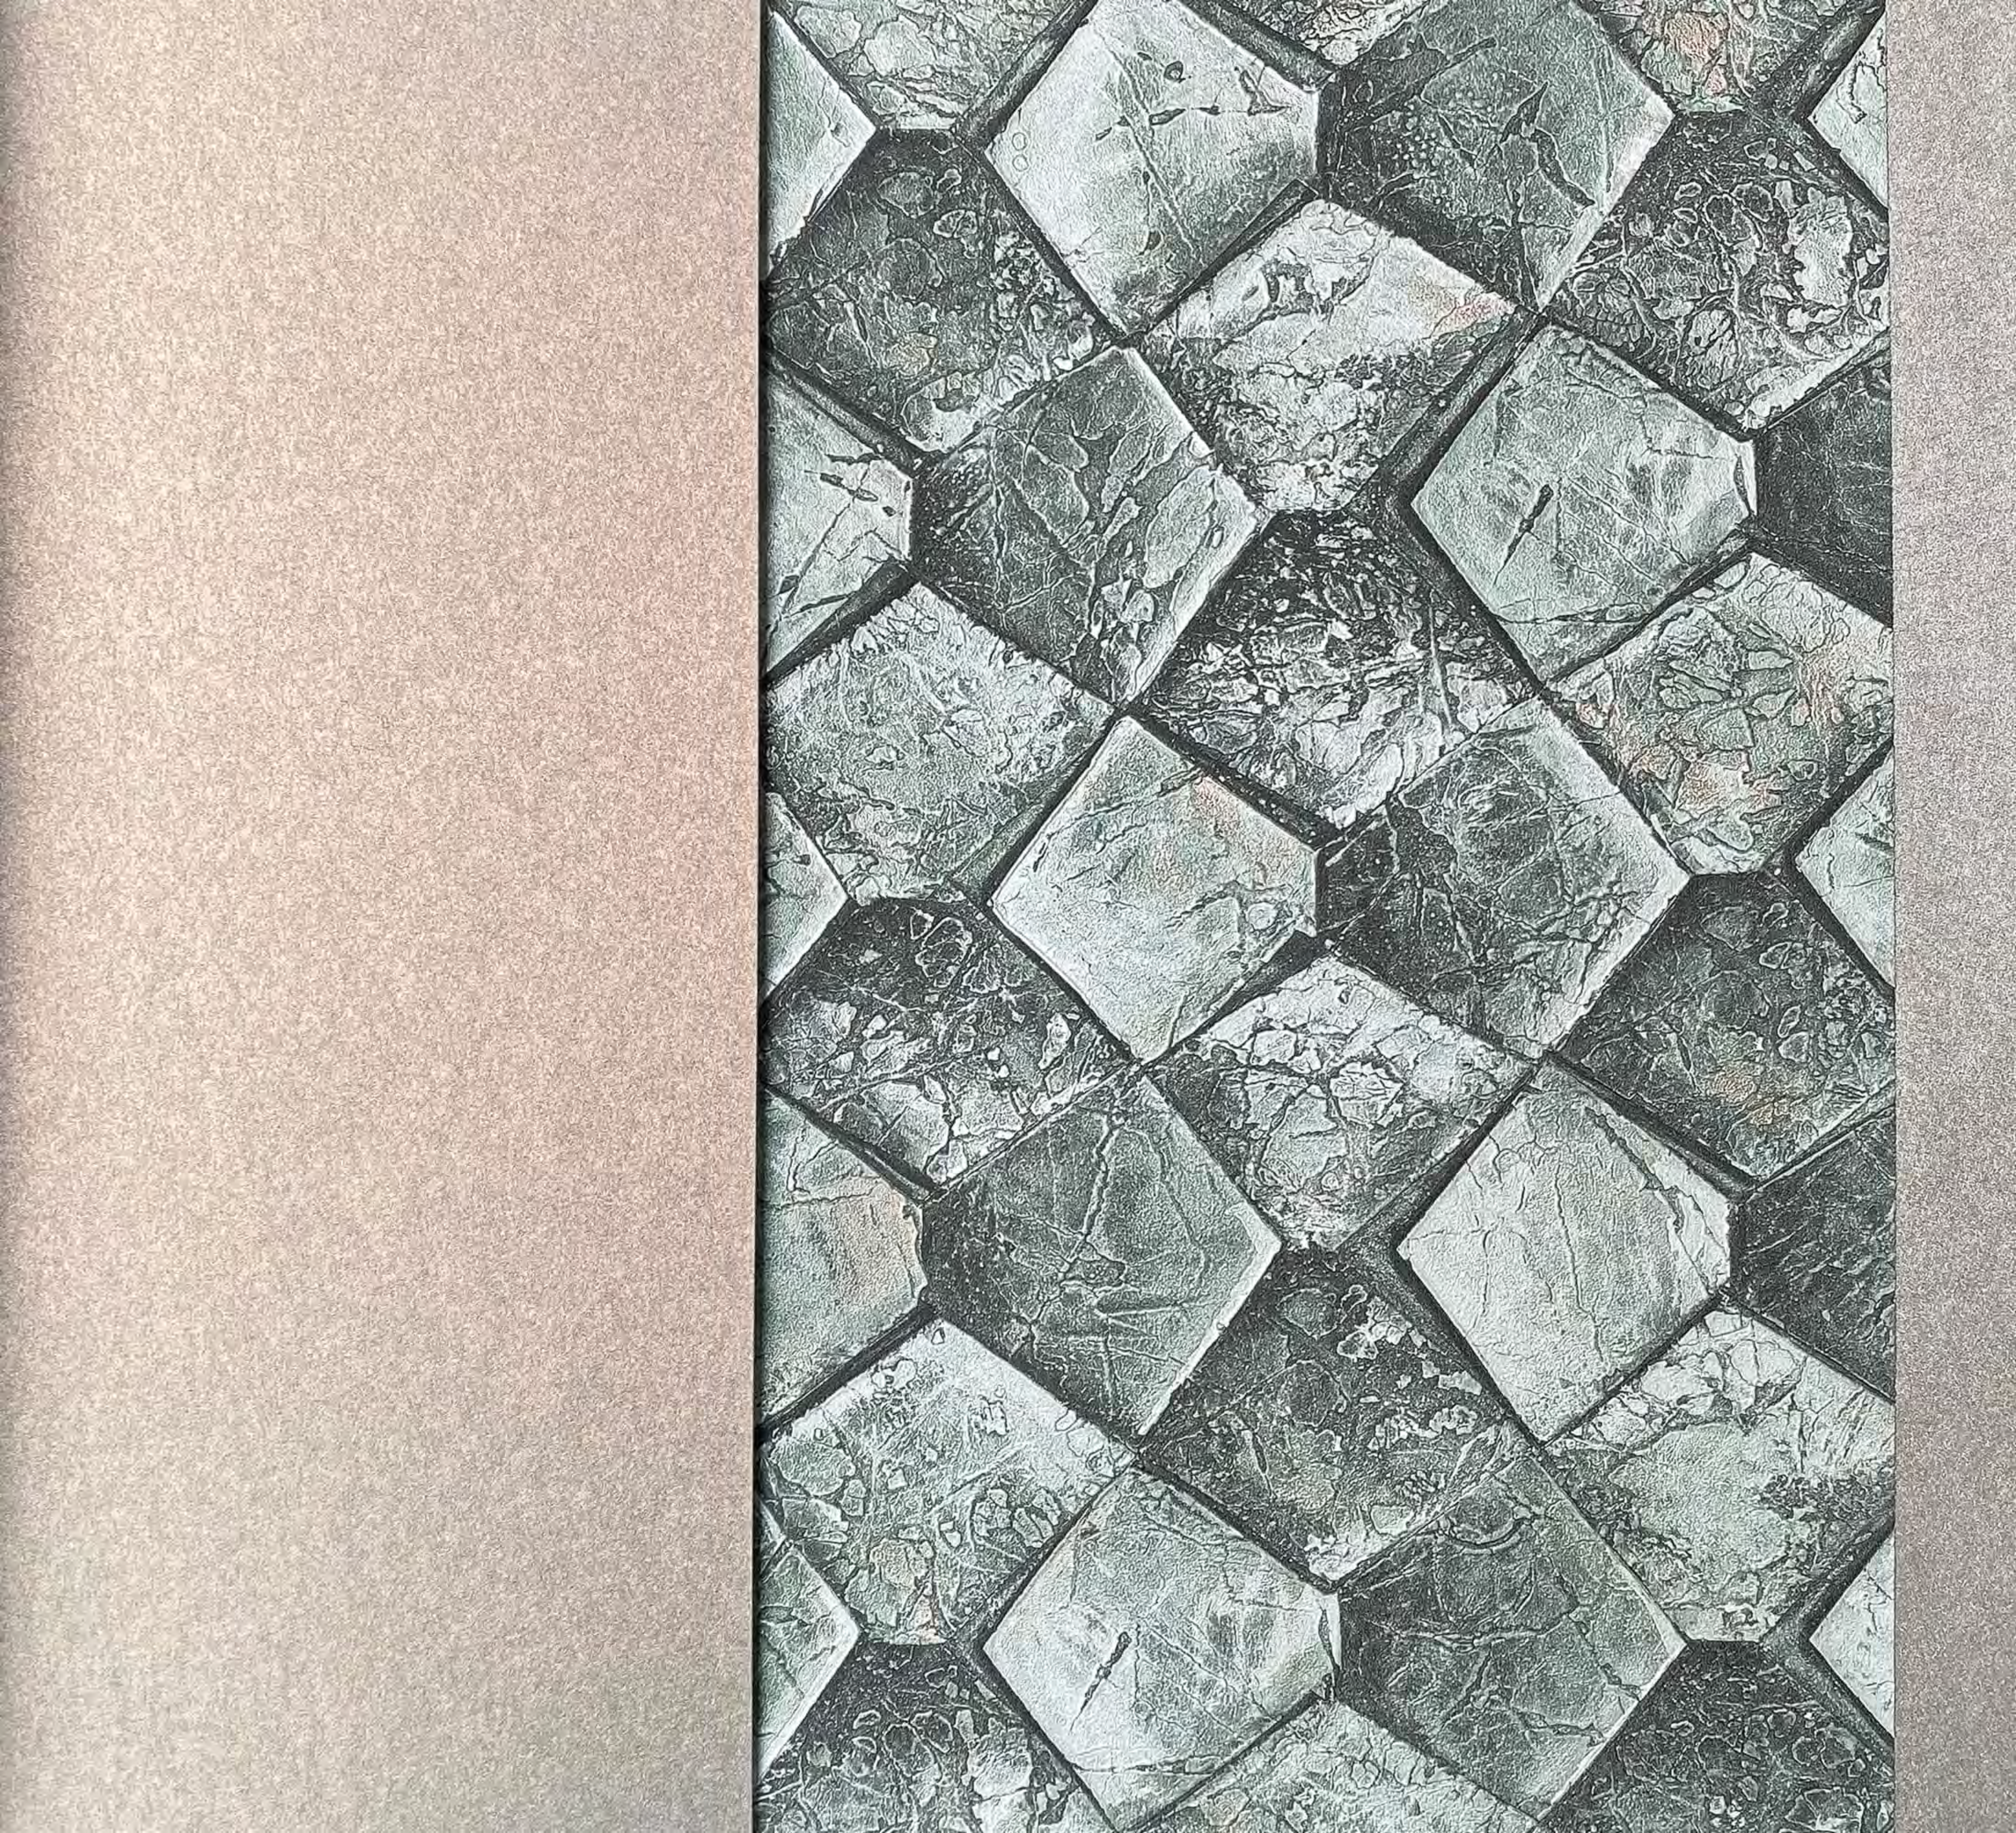

"Sometimes the secret lies in less, not in more."

"Nur wenn wir die Welt berühren, erfahren wir Formen
und Texturen. Wir spüren, dass wir ein Teil von ihr sind."

"Only when we touch the world we do experience
shapes and textures. We feel that we are a part of it."

EMBRACE PASSION

"Kreativität entfaltet ihre volle Kraft, wenn sie Grenzen durchbricht.
In solchen Momenten ist es sogar möglich, das Licht einzufangen."

"Creativity unfolds its full power when it breaks through boundaries.
At such moments, it is even possible to capture the light."

A detailed sculpture of a strawberry, rendered in a reddish-pink hue with a textured surface of small, raised seeds. It sits atop a dark, cylindrical pedestal that has a reflective, metallic sheen. The entire composition is set against a dark, textured background, with a soft light source from the left creating a gentle glow on the strawberry and the pedestal.
