

The background features a series of vertical stripes in various shades of blue, teal, and grey. A prominent white diagonal line runs from the top right towards the bottom left, intersecting the stripes.

A fresh breeze for the wall: Bamboo leaves in a watercolour style dance in green and terracotta. As lively as a summer garden, as calming as a deep breath - a design that does both: energise and soothe.

96453

3 Panels / 1,59 m × 2,70 m

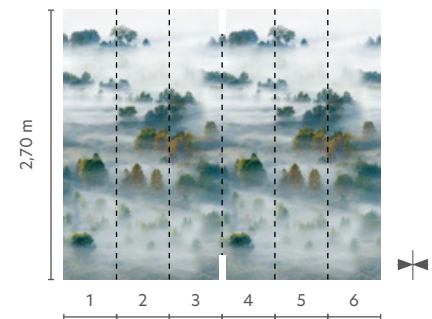

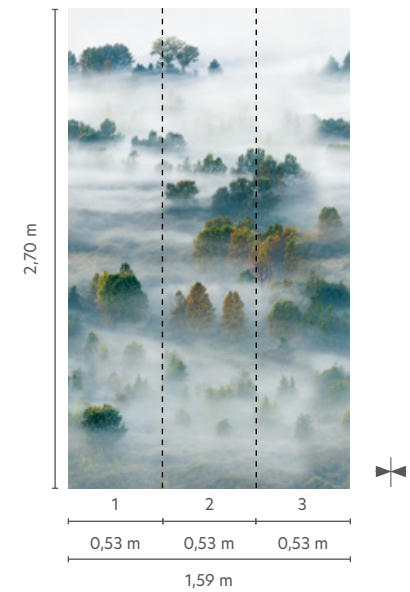

Deep green and veiled in mist: The forest enters the room in gentle layers, like a panoramic window to nature. The prints can be seamlessly joined – creating impressive surfaces with an almost boundless sense of space.

96467

3 Panels / 1,59 m × 2,70 m

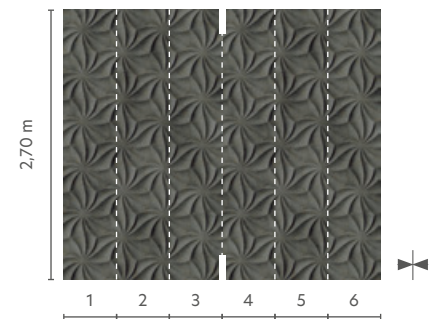

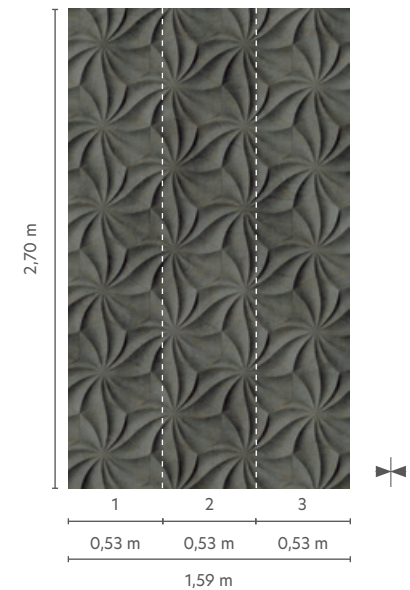

A sea of forest in the morning mist: The gentle transitions of grey, blue, and green create an atmosphere full of calm and depth. The print feels like a view through a window into another world - soothing, mysterious, and timelessly beautiful.

96463

3 Panels / 1,59 m × 2,70 m

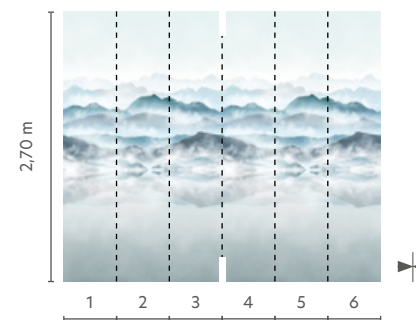

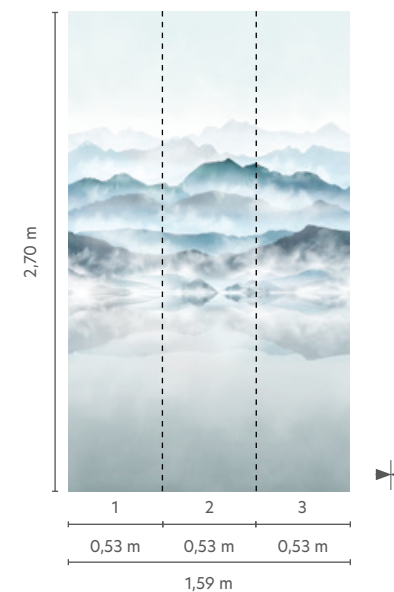

Like carved reliefs, this mural unfolds a three-dimensional effect. The organic fan shapes evoke blossoming flowers or delicate wind wheels in stone. A design that sets the scene – without ever becoming tiresome.

96465

3 Panels / 1,59 m × 2,70 m

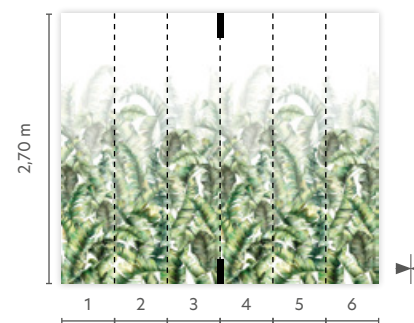

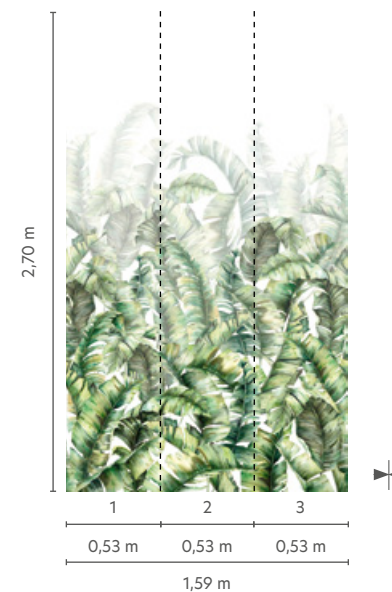

Moving mountains? No problem. This design brings an entire range right into your living room - complete with mist, vastness, and wanderlust. And the best part: if you want more peaks, simply line up the prints and let the panorama grow endlessly.

42173

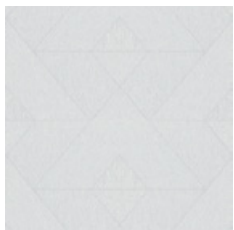

3 Panels / 1,59 m × 2,70 m

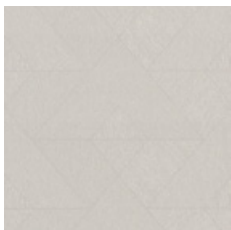

Holiday vibes without the jet lag: Anyone waking up beneath these banana leaves won't need a ticket to Bali. The wall delivers tropical flair in XXL format - lush, green, and with a dash of jungle drama.

Let's be honest: this isn't about drama, but about quiet sophistication. This plain design is like the perfect basic – simple, yet with that certain something. Who needs loud patterns when understatement can look this chic?

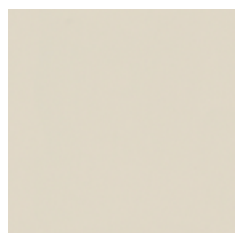

color variations | non-woven wallcoverings | roll dimensions: 0,53 m × 10,05 m

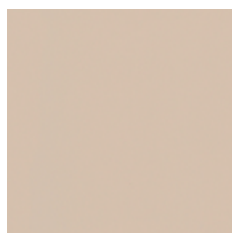

This is how cool a plain design can be: a hint of relief, a play of grey and green - like a subtle flirtation between concrete and fresh herbs. Perfect for those who love texture but won't tolerate boredom.

Almost like a fabric – just without the wrinkles:
The fine woven texture brings a relaxed textile
look to the wall. Sometimes light and airy, someti-
mes dark and striking – always with a subtle wink
that shows understatement can be fun.
